ALITI AMERICAN ONLINE SCHOOL

We are pleased to be one of the few American homeschooling private schools that provide an online education to international students from all over the world.

In coordination with the Illinois State Board of Education (ISBE) and the Coalition for Responsible Home Education, our Illinois - USA based online school provides an online education from Kindergarten all the way to Grade 12; following the American School System.

KINDERGARTEN

Our ALITI American Online School learning material has been sourced from Calvert Education, the nation's leading homeschooling curriculum publisher. Students are introduced into the world of language arts and mathematics.

Thanks to our selected curriculum publisher, Calvert Education, our provided homeschool learning material comes complete with 160 lessons per subject, with colorful and fun engaging lessons and activities to engage our ALITI American Online School young learners.

ELEMENTARY

Our elementary students are introduced to Language Arts, Math, History, Geography and Science. Students receive our provided Starter Kit Sets up until Grade 2 that contain worktexts for each subject; motivating lessons and review questions.

The Grade 3 to Grade 12 homeschooling learning platform takes a turn to online learning; with lessons and activities in history and geography, language arts, math, science and spelling.

All reviews are graded by our ALITI American Online School virtual educators.

HIGH SCHOOL

Thanks to our selected curriculum publisher, Calvert Education, our provided homeschool online learning experience is easy and efficient with interactive lessons, instant online access, no installs and access at any time.

Lessons and activities in each subject from Grade 9 to Grade 12 become more complex, with our students receiving the consistent support of our virtual educators.

All reviews are graded by our ALITI American Online School virtual educators.

HIGH SCHOOL

Thanks to our selected curriculum publisher, Calvert Education, our provided homeschool online learning experience is easy and efficient with interactive lessons, instant online access, no installs and access at any time

Students have their lessons online and learn everything from history and geography, language arts, math, science, spelling and more.

All reviews are graded by our ALITI American Online School virtual educators.

LEARNING RESOURCES

Our ALITI American Online School learning material has been sourced from Calvert Education, the nation's leading homeschooling curriculum publisher. Our students receive standardized testing to monitor and document their progress as they advance through each grade.

Calvert Education is accredited by the Middle States Association of Colleges and Schools. In addition, Calvert's kindergarten through Grade 12 curricula are approved by the Maryland State Department of Education.

All material meet state standards and the standards established by the National Council for Teachers of Mathematics (NCTM), National Council for Teachers of English (NCTE), National Council for Teachers of Social Studies (NCSS), National Science Teachers Association (NSTA), and the International Society for Technology in Education (ISTE).

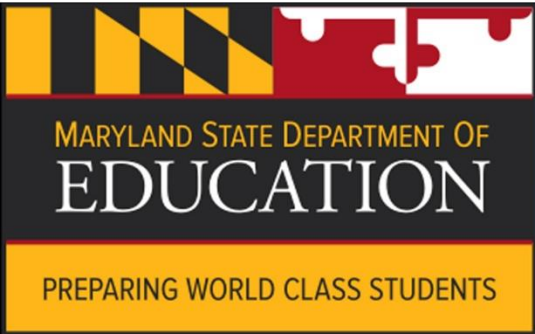

Courses are also approved by the NCAA and can be used for NCAA athletic eligibility.

VIRTUAL EDUCATORS

Our ALITI American Online School virtual instructors are professional, degree holding stateside professionals; dedicated to conducting weekly reviews with our students, and are readily available to assist them and their parents with any of their educational needs; or to teach them directly.

All of this combined further ensures that our students meet the necessary course credit requirements as stipulated by the Illinois State Board of Education (ISBE); in order to successfully graduate and be ready for college and university life ahead.

ACCREDITATION

The material taught to our students is accredited by the Middle States Association of Colleges and Schools and approved by the Maryland State Department of Education.

In order to reflect the best of education pedagogy, courses are regularly reviewed and new material introduced according to state standards.

GRADUATION

ALITI AMERICAN ONLINE SCHOOL GRADUATION CEREMONIES

Students who graduate at each grade level receive official transcripts from ALITI American Online School at each grade level that are signed and notarized by Illinois notary public officials; all of whom have been appointed and commissioned by the Illinois Secretary of State.

All students registered to ALITI American Online School will receive school diplomas and will attend our ALITI American Online School Graduation Ceremonies in person or virtually. This ensures that the ALITI American Online School homeschooling journey for parents and their kids is not only a beneficial experience, but an enjoyable one.

ALITI American Online School conducts graduation ceremonies on an annual basis at the end of the Fall and Spring semesters.

HIGHER EDUCATION

The sole purpose of the Higher Education Services & Programs is to support and guide our registered and new students to pursue further studies in USA Universities (Colleges) in all disciplines, by facilitating their admissions processes and getting them enrolled either as:

1. On-Campus Study Students or
2. Online Study

HIGHER EDUCATION: OPT SPONSORSHIP PROGRAM

ALITI GROUP LLC is proud to present the OPT SPONSORSHIP PROGRAM.

The OPT SPONSORSHIP PROGRAM has been designed to give 1-Year of Optional Practical Training (OPT), i.e., temporary employment to our ALITI AMERICAN ONLINE SCHOOL (AAOS) Students, who completed our Higher Education Program by enrolling in a US University and have graduated in 'Good Standing'.

Under our OPT SPONSORSHIP PROGRAM, we are able to assist our AAOS Graduates with their transition into the workforce, by sponsoring them with a 1-Year OPT, that they can now use to gain professional experience by working under any one of our 17 sub-corporations or in their desired company of choice.

ALITI GROUP LLC is proud to work with recent AAOS University Graduates and International Student Graduates across the States who are willing to be trained according to the company's standards, to aid in the company's goal of developing a strong workforce. Permanent placement and employment sponsorship is further offered to those graduates who perform exceptionally, during the 1-year duration of the OPT SPONSORSHIP PROGRAM.
